COUGAR

700M EVO

REAL GEAR FOR REAL GAMERS

INTRODUCTION

The final evolution of the gaming mouse world's alpha predator. Taking all the customization, ergonomics and extended functionality that made 700M a winner, 700M EVO brings in a robust new optical sensor (Pixart PMW3389), further ergonomic enhancements and a new look to rule the online arenas.
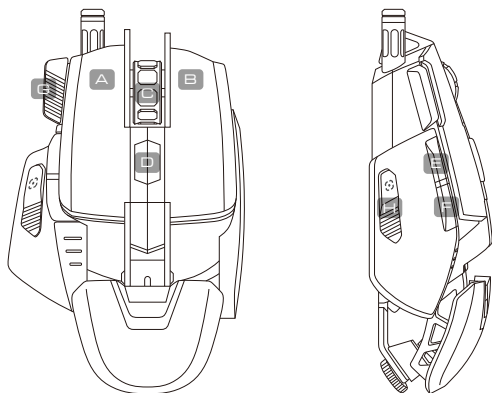

The powerful 16000 DPI optical gaming sensor PMW3389, in-depth ergonomic customization and other advanced features, this state-of-the-art mouse has everything a gamer might hope for. If you're a gamer, 700M EVO is your mouse.
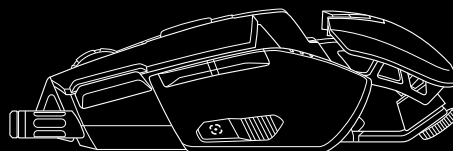

DEFAULT BUTTON ASSIGNMENT

A Left Click	B Right Click	C Wheel click	D DPI Cycle
E Forward	F Backward	G Fire button	H 45° sniper button

Note: The fire button and the 45° sniper button are disabled by default. To use them, please assign a function to them through COUGAR UIX™ System.

FEATURES

ALUMINUM STRUCTURE

An aluminum structure serves as the skeleton of 700M EVO, creating a lightweight and durable build that allows you to react quickly to in-game challenges.
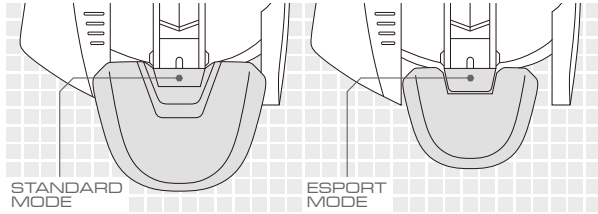

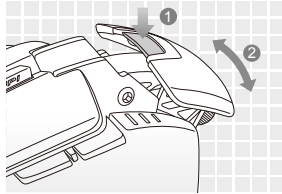

ALUMINUM
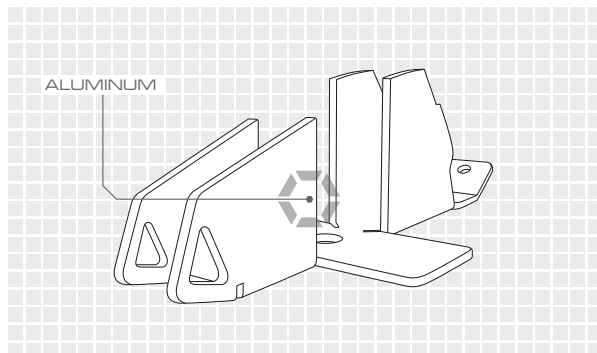

HOW TO SWITCH AND ADJUST THE PALM REST

700M Evo's unique design allows you to adjust not only the palm rest's height but also its positioning (forward/backward) without using any tool.

STANDARD MODE

ESPORT MODE

## HOW TO SWITCH AND ADJUST THE PALM REST

To adjust the palm rest's position, gently hold down the clip and then slide the palm rest backward or forward until you reach the desired position. To switch to the second palm rest, slide the palm rest backward until it gets off the structure and gently push the palm rest you want to use forward until it becomes mounted on the structure.

5

PALM REST HEIGHT ADJUSTMENT

To support your palm better, the arched frame can be raised by rotating the knob.

KNOB

FIRE BUTTON

Designed to allow easy access to additional functions, this button is ideal for quickly accessing secondary weapons or skills.

45° SNIPER BUTTON

This button's 45° Inclination allows the user to press it without moving the mouse, a design created especially for the low-DPI sniper mode.

45°

6

AERO-DYNAMICAL SYSTEM

The body of the mouse follows aerodynamical principles to guarantee an airflow that keeps your hand cool.

AIR FLOW

7
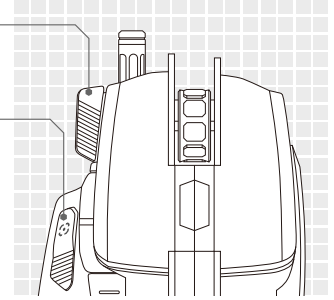

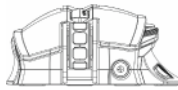

WEIGHT ADJUSTMENT

4 x 4g weights

PULL
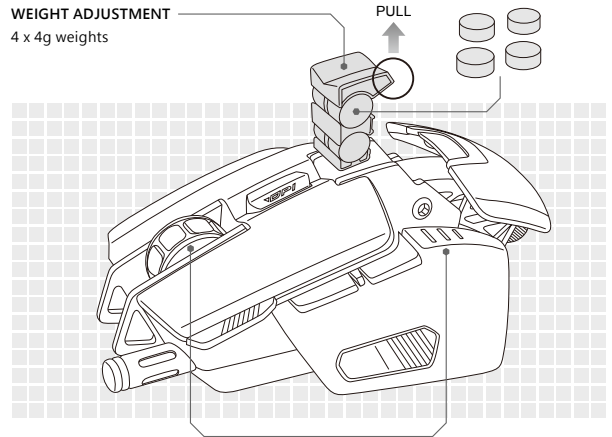

RGB BACKLIGHT WITH DPI INDICATOR

Choose 1 out of 16.8 million colors and set a unique color to each profile, while the DPI indicator tells you which DPI level you are using.

8

UIX™

BRING COUGAR'S MACRO ARSENAL WITH YOU

In order to minimize the time you spend recording macros and maximizing the time you spend using them, COUGAR's Macro Arsenal allows you to record your macro once and use it again on another COUGAR UIX™ compatible device, or export individual macros to share with your friends. Enjoy your gaming sessions with this powerful software.

GLOBAL WARRANTY POLICY

WARRANTY PERIODS OF COUGAR GAMING DEVICES

Product : COUGAR 700M EVO gaming mouse
Warranty : 1 Year
This warranty gives you specific legal rights. You may also have other rights granted under local law. These rights may vary.

WARRANTY AGREEMENT

• If the product has defects in material or manufacture, COUGAR will provide product repair and replacement service within the warranty period.
• Our warranty service is based on the date of the invoice or warranty card (must be affixed with the store stamp). If you lose the aforementioned evidence, we will apply the original shipping date of the product as the beginning date of warranty period. The shipping date will be identified by the product serial number(S/N).

CONDITIONS WHERE FREE MAINTENANCE IS NOT PROVIDED

• Any fault or damage caused by natural disasters (including storm, fire, flood, thunder, earthquake, etc).
• Any fault or damage caused by accidental factors and man-made reasons (including hit, scrape, crash, moving, compression, stain, corrosion, use of incurred on unsuitable voltage, computer virus, riot, misuse, malicious damage, etc).
• Use in an improper operating environment (including high temperature, high humidity, water inflow, etc).
• Inability to provide the product warranty card, purchase receipt or invoice to prove the product is still within the warranty period and the shipping date of the product is out of warranty.
• The warranty card or product serial number has been altered or its number is hard to identify.
• The warranty period has expired.
• Any fault or damage caused by non-compliance with regulations stated on the user manual or improper, rough and careless treatment.
• Any fault or damage caused by use of parts not certified by COUGAR original manufacturer.
• The problem is caused by improper repair or adjustment by the buyer or any manufacturer without authorization from COUGAR.
• The product is not acquired from an authorized distributor of the company or is acquired from illicit sources.
• Paper carton, instruction and other accessories are not warranted.

DISCLAIMERS

• COUGAR does not authorize or endorse the user of COUGAR products as a part of, together with, or connected to, life support devices, medical equipment in general, military equipment, traffic or transportation-related equipment or disaster prevention systems.
• COUGAR is not liable for any damage, expense, loss, cost, injury or any other result derived from the use of COUGAR products not specifically for PC gaming in the compatible operative systems indicated by COUGAR.
• COUGAR is not liable for any damage, expense, loss, cost, injury or any other result due to use of COUGAR products not in strict accordance with the instructions provided by COUGAR in the instruction manual.
• Software, instruction manuals, consumables (for example mouse pads, mouse feet, etc.), boxes or other external packaging are not covered by the warranty.
• For inquiries about the warranty, please contact us at service@cougargaming.com

ДАТА ИЗГОТОВЛЕНИЯ ПРОДУКЦИИ

год и месяц изготовления продукции указаны в серийном номере продукта.(существует 2 способа определения даты изготовления, оба способа описаны ниже)

A После S/N: первые две цифры означают год, вторые две – месяц изготовления.
Например, S/N: H**1702**000001 означает, что товар был произведен в феврале 2017 года.

B После S/N: если указаны буквы, то две буквы представляют цифры из таблицы ниже, и означают год, последующие две цифры – месяц изготовления.
Например, S/N: D**AG02**REVI000001 означает, что товар был произведен в феврале 2017 года.

A	B	C	D	E	F	G	H	I	J
1	2	3	4	5	6	7	8	9	0

• Например, AG = 17 = 2017 год
